Unlimited SMS Text Messaging

Send unlimited SMS messages to parents.

Unlimited Automatic Direct Phone Calls

Convert your written messages to voice and automatically call parents on their landline or cellphone.

Multiple Email Account Management System

Send, receive, and manage all school and class emails in one place.

Push Notifications

Mobile notifications keep parents in the loop and help them respond to important reminders more quickly.

<p>Parents' Portal A password-protected web and mobile parents' portal gives your school a vibrant online community.</p>	✓		✓
<p>Unlimited groups /classes Create as many groups or classes as you can imagine.</p>	✓	✓	✓
<p>Manage Accounts Manage all parent, staff, and child accounts through the admin web portal.</p>	✓	✓	✓
<p>Picture and Video Sharing Teachers can easily post pictures and videos of class activities for parents to enjoy.</p>	✓		✓
<p>Likes & Comments Parents can view, like, and comment on posts in your school's private online community. If you wish, this feature can also be turned off.</p>	✓		✓
<p>Document Sharing Send and receive forms quickly with our one-of-a-kind document sharing platform.</p>	✓		✓
<p>School Calendar with Notifications A rich school calendar sends automated event reminders to parents.</p>	✓		✓
<p>Online Parent Community Provide a private discussion room for parents, including a marketplace for buying and selling used children's items. Parents even have the option to automatically donate these proceeds to your school.</p>	✓		✓
<p>Email Notifications Parents are notified of updates with automated email announcements and reminders.</p>	✓		✓

<p>In-App Private Messaging Send confidential messages to specific parents only. They'll receive your message in their parents' portal and a notification on their device.</p>	✓	✓
<p>Announcements Send announcements to the whole school or choose specific classes to communicate with.</p>	✓	✓
<p>Advanced Picture Library A beautifully designed picture library is available via web or mobile in the parents' portal. All pictures and videos from the school year are posted and arranged on a timeline.</p>	✓	✓
<p>Admin Mobile and Web Console Our easy-to-use app gives you administrative access from your iPhone, Android, or tablet, anytime and anywhere you need it.</p>	✓	✓
<p>In-App Voice Messaging Allow teachers to record voice messages in class posts for ease of communication.</p>	✓	✓
<p>Flexible Features Any feature can be turned on or off in the admin portal, allowing you to customize a powerful solution that fits your school's needs.</p>	✓	✓
<p>Full Control Administrators can review all teacher posts and announcements before approving them to send.</p>	✓	✓
<p>Smart Admin Reporting Get insight about different communication channels. View response rates, open rates, and the number of views for each email, direct phone call, or parent post.</p>	✓	✓
<p>Fundraising Platform Post a fundraising project in minutes, collect funds online, and encourage social media sharing for increased revenue.</p>	✓	✓

Ad Revenue Sharing

Allow local parents to post ads for their businesses. Your school will collect a portion of the revenue generated.

Online Payment Processing

Immediately collect tuition and fees online.
